### Says Thick Sluggish Blood Should Be Purified

A Greasy, Pimply Skin, a Foul Odor to Perspiration, Bolls and Aches and Pains All Banished by Sulphur Tablets. Like Grandson's Remedy for Spring.

Take these tablets made of sulphur, cream of tartar, calcium sulphide and extracts of rare herbs and take regularly for a month or so, and you can drive the poisons out of your system. Sulphur Tablets are wonderful to overcome constipation, sluggish liver and kidneys and they quickly start all the eliminative organs working. They "flush the bowels" as it were, and you will feel their fine effects all through spring and summer. Headaches, catarrh, neuritis, rheumatic pain, constipation and kindred ailments due to poisons in the blood, all go, the skin clears, pimples and bolls are absorbed and pass out through the proper waste channels. Every package is guaranteed so you can prove it easily. Good for children and adults. All druggists 50c per sealed tube. Get Sulphur Tablets (not sulphur tablets).—adv.

### BALTIMORE IN NEW RACE RIOT

### Croup Ends Life

Many Children Die of Croup Every Year Before a Doctor Can Be Summoned.

Parents of children should be prepared at all times for a spasm of the croup.

Keep in the house a treatment that will give instant relief and keep the child from choking until the arrival of the physician.

Get a 60 cent bottle of HYOMEL today and in case of an attack of croup, pour 20 drops into a bowl of boiling water. Hold the child's head over the bowl so that it can breathe the soothing, penetrating vapor that arises. In the meantime send for a physician.

This treatment has helped many children and is a precaution that all parents should promptly take.

HYOMEL is sold by Kaufman and Wolff and Summer's Pharmacy and druggists everywhere and satisfaction is guaranteed for croup, catarrh, asthma and bronchitis or your money back. If you have children, save this notice.—adv.

### STUFFED FLANK STEAK.

After washing and wiping carefully make a pocket in the meat and fill with good chicken stuffing if the meat is thick enough. In case the flank steak is thin fold the meat together thus making a pocket for the dressing.  
Bake one hour in covered pan and serve with gravy made from drippings.

### INDIAN PUDDING WITHOUT EGGS.

Mix one-half teaspoon each of ginger, cinnamon and salt with one cup of corn meal and 1/4 cup of molasses. Put into a saucepan, add one pint of scalding hot milk (set on the stove and stir until thoroughly scalded and bubbling), then add another pint of milk. Stir well, pour into a buttered baking dish and bake for two hours in a moderate oven, stirring occasionally. Two juicy apples, pared and chopped, and added at the end of the first hour improve the pudding. Serve with cream.

### POTATO BISCUIT.

Bake about half a dozen large potatoes; when they are done enough, burst them open and scoop out the insides with a teaspoon until there is a quarter of a pound of the flour. Put this through a fine sieve and mix with it the well beaten yolks of 8 eggs, the grated peel of half a lemon, 1/4 pound of pounded and sifted sugar. Beat the paste until it is quite light, then add the whites of the eggs, beaten to a firm froth. Make some small paper cases, oil them, half fill them with the batter. Strew a little sugar over them, bake in a moderate oven about twenty minutes. If liked a little bright colored jelly may be put over biscuit before serving.

### CORN MEAL WAFFLES.

To the beaten yolks of three eggs add 1 quart of soup milk or buttermilk, corn meal to make a batter, a little thicker than for pancakes, one teaspoon salt, one of soda dissolved in a little warm water, then the well beaten whites; stir thoroughly, bake at once in waffle irons.

### MEAT CROQUETTES.

2 cups chopped meat  
Fish or chicken  
1 cup thick white sauce  
Salt, pepper and onion  
Juice to taste  
Nutmeg, a few grains.  
Mix meat with hot white sauce and season to taste. Spread on platter to cool. When cold shape into cylinders, roll in bread crumbs, then in egg and again in bread crumbs. Fry in deep fat or oil and drain.  
Serve with a thin white sauce or tomato sauce. Season with a little celery salt. Fish may have a dash of lemon.

### BEEF RELISH.

1 cup cooked beets  
3 tablespoons horse radish  
2 teaspoons powdered sugar  
1 teaspoon salt  
4 tablespoons lemon juice  
Chop the beets, which should be cold, in a food chopper, and add other ingredients. Serve with cold sliced meat.

This bread is so light and nourishing that physicians naturally recommend it for invalids.

We do what the home-baker does: We use plain bread ingredients and ferment our doughs with plenty of Compressed Yeast.

The result is bread with a substantial slice that appeals to the most hardy and the most delicate appetites alike.

When you eat bread, eat Dietrich's Banquet Cream Bread.

It satisfies and saves.

Your grocer has it.
